

# Rihanna, Now I Know

[Verse 1:]

Took a chance, roll the dice of me and you  
Opened up, let you in my world  
Like a dance, started slow and then love took control  
Swept away, so proud to be your girl  
When you write a story much to fast  
Sometimes a happy ending doesnt last

[Chorus:]

Now I know that love aint meant to be a play thing  
Now I know its not an ordinary everyday thing  
Now I know that when it's right it's so amazing  
When its wrong you gotta let it go  
Now I know  
Now I know

[Verse 2:]

Remember when, we said our love would last forever  
But then again, how are we to know  
There come a time, that love will change like stormy weather  
A sunny day will suddenly turn cold  
Time will teach you all you need to learn  
But therell always be a first time you get burned

[Chorus:]

Now I know that love aint meant to be a play thing  
Now I know its not an ordinary everyday thing  
Now I know that when it's right it's so amazing  
When its wrong you gotta let it go  
Now I know  
Now I know

[Hook:]

I dont regret a single day  
Joy and pain along the way  
A broken hearts the price we pay  
As sad as it may seem  
Baby cant you see  
Its the way its gotta be

[Chorus:]

Now I know that love aint meant to be a play thing  
Now I know its not an ordinary everyday thing  
Now I know that when it's right it's so amazing  
When its wrong you gotta let it go  
Now I know  
Now I know  
Yeah  
Now I know  
I know
