## Rihanna, Stay ft. Mikky Ekko

All along it was a fever A cold with high-headed believers I threw my hands in the air I said show me something He said, if you dare come a little closer

Round and around and around we go Ohhh now tell me now tell me now you know

Not really sure how to feel about it Something in the way you move Makes me feel like I can't live without you It takes me all the way I want you to stay

It's not much of a life you're living It's not just something you take, it's given Round and around and around we go Ohhh now tell me now tell me now you know

Not really sure how to feel about it Something in the way you move Makes me feel like I can't live without you It takes me all the way I want you to stay

Ohhh the reason I hold on Ohhh cause I need this hole gone Funny all the broken ones but i'm the only one who needed saving Cause when you never see the lights it's hard to know which one of us is caving

Not really sure how to feel about it Something in the way you move Makes me feel like I can't live without you It takes me all the way I want you to stay, stay I want you to stay, ohhh
