(feat. Memphis Bleek)

[Memphis Bleek Intro]

Uh, yeah. . .the boy Extra
We right back at it like we left somethin' know'mean?
It's the ROC, since 9-6, you know we get busy
Got the young lady by the name of Rihanna with me
Straight from Barbados, give 'em that flavor baby girl
Let's go

[Chorus: Rihanna w/ Bleek ad-libs]

You were there for me when I needed you when my back was to the wall
And it's good to know that you're still the one to catch me when I fall
We've been crazy tight and I realize when all is said and done
Through the best of times, through the worst of times
Baby you're the one, baby you're the oone!

[Verse 1: Memphis Bleek]

Ayo quattro, trece, doce, uno
You know I throw my weight around like sumo
You know I hold my lady down, that you do know
You know disrespecting mine'll be a funeral
Bruno Magli's on the patio in blood
O.J. style but I won't leave the glove
Like ??? ??? Shyne/shine but I won't leave the club
BROOKLYN ZOO! All we feed you is slugs
Like, yeah love you know I leave you over mine
And yeah love they have to grieve you over mine
It's thug love at it's finest, dude rewind this
Uh, the boy H-O behind this

[Chorus: Rihanna w/ Bleek ad-libs]

You were there for me when I needed you when my back was to the wall
And it's good to know that you're still the one to catch me when I fall
We've been crazy tight and I realize when all is said and done
Through the best of times, through the worst of times
Baby you're the one, baby you're the oone!

[Verse 2: Memphis Bleek]

Robert Blake style but they won't find the car
Like the big homie Snoop but it won't be the gods
BROOKLYN ZOO! We known to throw shots like. .
Yeah love I'm on a shopping spree with mine
Here love you know it's rings and things with mine
It's thug love at it's finest, dude rewind this
Uh, the boy H-O behind this

[Chorus: Rihanna w/ Bleek ad-libs]

You were there for me when I needed you when my back was to the wall
And it's good to know that you're still the one to catch me when I fall
We've been crazy tight and I realize when all is said and done
Through the best of times, through the worst of times
Baby you're the one, baby you're the oone!

[Verse 3: Memphis Bleek]

Ayo four, three, two, one
If this ain't concrete then call it what you want
For my lady I make where you from hotter than the sun
I'm still street say the word and it's done

If ever in the world that we gotta let a slug fly
Even if they subpoena me I would never testify
You feel the same and this way we never change
Dudes play they disappear and I ain't David Blaine
Like, yeah love you know I'm breezin' through with mine
Yeah love give me a reason to squeeze for mine
It's thug love at it's finest, dude rewind this
Uh, the boy H-O behind this

[Chorus: Rihanna w/ Bleek ad-libs]

You were there for me when I needed you when my back was to the wall
And it's good to know that you're still the one to catch me when I fall
We've been crazy tight and I realize when all is said and done
Through the best of times, through the worst of times
Baby you're the one, baby you're the ooone!
