

# Rihanna, We All Want Love

We all, We all, We all  
We all, We all  
We all, We all, We all  
We all, We all

[Rihanna]

I can pretend that I'm not lonely  
But I'll be constantly fooling myself  
I can pretend that it don't matter  
But I'll be sitting here lying to myself  
Some say love ain't worth the buck  
But I'll give every dime I have left  
To have what I've only been dreaming

Everybody wants something  
Better want something  
What are you living for?  
Everybody needs something  
Fighting for something  
I know what you're fighting for  
Cause we all

[Chorus]

We all want someone there to hold  
We just want somebody  
We all wanna be somebody's one and only  
We all wanna be warm when it's cold  
Yeah yeah yeah

No one wants to be left scared and lonely  
We all, we all, we all, we all

We all want the same thing  
We all, we all, we all, we all, we all  
We all want the same thing  
We all, we all, we all, we all, we all  
We all want the same thing

Everybody wants something gotta want something  
Yeah yeah we all want love

[Rihanna]

I'm able to close my eyes  
Yet my heart's not so blind  
I feel so entitled of owes me  
I want what's mine

And some say love ain't worth the buck  
But I'll give 'em the last dime  
To have what I've only been dreaming about

Everybody wants something  
Better want something  
What are you living for?  
Everybody needs something  
Fighting for something  
I know what you're fighting for  
Cause we all

[Chorus]

We all want someone there to hold  
We just want somebody  
We all wanna be somebody's one and only  
We all wanna be warm when it's cold

Yeah yeah yeah

No one wants to be left scared and lonely  
We all, we all, we all, we all, we all

We all want the same thing  
We all, we all, we all, we all, we all  
We all want the same thing  
We all, we all, we all, we all, we all  
We all want the same thing  
Everybody wants something gotta want something  
Yeah yeah  
We all want love
