

# Rihanna, Who's that chick (ft. David Guetta)

Feel the adrenaline moving under the my skin  
It's an addiction such an eruption  
Sound is my remedy feeding me energy  
Music is all I need.

Baby, I just want to dance  
I don't really care, I just wanna dance  
I don't really care... care... care (you can feel it in the air... yeah)

She's been a crazy dicta, disco diva and you wonder:  
"Who's that chick? who's that chick?"  
Too cold for you to keep her  
Too hot for you to leave her  
Who's that chick? who's that chick?  
Who's that chick? who's that chick?  
Who's that chick? who's that chick?

Back on the dance floor better not to take me home  
Bass kicking so hard blazing through my beating heart  
French kissing on the floor, heart is beating hard core  
Heard everybody is getting a little sexy off the crazy juice  
This will end up on the news

Baby, I just wanna dance  
I don't really care I just want dance  
I don't really care... care... care (feel it in the air... yeah)

I'll try to sex you up the night was got me love sprung  
I won't stop until the sun is up, oh yeah  
My heart is a dancer beating like a disco drum oh oh uh oh
