

Ril Anzy, no problems

You think of me
You will agree
Tell me what you see
Does it feel like you're in lead?

You try
You try to scare me
I will just bleed
My wills won't ever just feel the same
About you
Cause what I want
Was never your dream

No problems, No problems!
No problems, No problems!

Now I'm free
Cause you're not here
People see the difference
People see it all
I know all the lies your friends
have said about me
I don't care
I don't care
You don't have to say
You don't have to stay
I don't have to feel your care for me

No problems, No problems!
No problems, No problems!
