

Rilo Kiley, Smoke Detector

My eyes burn, everybody smokes
My eyes burn, everybody smokes
I smoke too, but not as much as you
I do the smoke detector

There is a girl in a tank top
She is not wearing a bra
She looks so hot on the dance floor
She does the smoke detector

She says, "Danger
"Do the smoke detector"
She says, "Danger
"I'm the smoke detector."

I took a man back to my room
I was smoking him in bed
Yeah, I was smoking in bed
This is what he said

I took a man back to my room
I was smoking in bed
Yeah, I was smoking in bed
This is what he said

I said, "Danger
"Do the smoke detector."
I said, "Danger
"Do the smoke detector."
(Repeat!)
