

Ringo Starr, Love First, Ask Questions Later

What could I do when I didnt know
when I was young I was younger
give me an answer, its yes or no
how can we wait, any longer.

So baby, dont forget this
what comes around will go
maybe youll regret this
well, maybe never knows.

Love first, ask questions later
moments pass, they wont wait for the waiter
no ones ever found the power that is greatest
so love first, ask questions later.

Nothing but joy in the tears we cry
nothing but light in around us
trust in each other as years go by
no that forever has bound us.

It aint so complicated
its easy after all
it cant be overstated
the writings on the wall.

Love first, ask questions later ...

From all the masters through all time
theres just one truth we have to find
my love is yours, your love is mine.

Baby, dont forget this
what comes around will go
I promise you wont regret this
tomorrow never knows.

Love first, ask questions later ...
