Ringo Starr, Love First, Ask Questions Later

What could I do when I didnt know when I was young I was younger give me an answer, its yes or no how can we wait, any longer.

So baby, dont forget this what comes around will go maybe youll regret this well, maybe never knows.

Love first, ask questions later moments pass, they wont wait for the waiter no ones ever found the power that is greatest so love first, ask questions later.

Nothing but joy in the tears we cry nothing but light in around us trust in each other as years go by no that forever has bound us.

It aint so complicated its easy after all it cant be overstated the writings on the wall.

Love first, ask questions later ...

From all the masters through all time theres just one truth we have to find my love is yours, your love is mine.

Baby, dont forget this what comes around will go I promise you wont regret this tomorrow never knows.

Love first, ask questions later ...
