

# Ringo Starr, Wrong All The Time

Why am I wrong all the time?  
That's all that I want to know  
I used to do everything right  
It doesn't seem that long ago

Why am I wrong all the time?  
I'm not the one who has changed  
You look with a new point of view  
I still look at you the same

I'm the same man that I was  
Now all you see are my mistakes  
All I want to give is love  
But the way that we are  
Makes my heart break

Give me a reason to go on  
Or I'm gonna walk out that door  
And you'll realize when I'm gone  
I'm the same man that I was before

I'm the same man that I was  
Now all you see are my mistakes  
All I want to give is love  
But the way that we are  
Makes my heart break

Give me a reason to go on  
Letting love die is unkind  
If I still know you're the one  
Why am I wrong all the time?  
How can I be wrong all the time?
