

Riot 99, I Just Wanna...

I can tell that you're wary
I don't know what for
I know what ails ya baby
and I got the cure

I just wanna <i>[x7]
I just wanna suck your cunt

Tastes real good, oh oh yeah <i>[x3]
Just like I always knew it would

I,I,I just love, cunnilingus, cunnilingus <i>[x4]
