

Riot 99, Panic In Needle Park

It's a panic in needle park,
and the kids are all left in the dark,
about the Contra man,
moving Government contraband,
and the kids aren't going to take it,
this is real man, they can't fake it,
chemical State control,
prohibition over-rule,
over-rule (x4)

We're nowhere,
Running scared,
But do you really care?

Holes are in your young arm, oh-no
Creeping up the stairs again, oh-no
Pawnd yr Mothers wedding ring, oh-no
Shooting up the night again, oh-no
