

# Riot, Heavy Metal Machine

Racing my motor  
just like a rocket  
time  
Don't need no pace car baby  
hot  
mean  
Heavy metal machine  
Heavy metal machine.  
wind  
on the loose  
stop me  
juice  
Don't need no pace car, baby  
hot  
Heavy metal machine.  
Heavy metal machine.  
Heavy metal machine.  
nowhere  
you  
escape me  
do  
I gotta  
can't be seen  
Heavy metal machine.  
Heavy metal machine.  
Heavy metal machine.
