

Riot, Where Soldiers Rule

long before
carry on
journey
straight past
hope and glory
on through the night
never dies
crimson skies
out in the fields
straight past
all we ask is no resistance
led ourselves astray
of day
call
one and all
no man ever safe
Where soldiers rule.
Where soldiers rule.
inside
out in the fields
call
straight past the
Have we led ourselves
lost the light of day
call
one and all
no man ever safe
Where soldiers rule
Where soldiers rule.
