

# Riot, Where Soldiers Rule

long before  
carry on  
journey  
straight past  
hope and glory  
on through the night  
never dies  
crimson skies  
out in the fields  
straight past  
all we ask is no resistance  
led ourselves astray  
of day  
call  
one and all  
no man ever safe  
Where soldiers rule.  
Where soldiers rule.  
inside  
out in the fields  
call  
straight past the  
Have we led ourselves  
lost the light of day  
call  
one and all  
no man ever safe  
Where soldiers rule  
Where soldiers rule.
