

Rip The Jacker, All Caps (Prolix)

I rock rhymes for your pleasure, you listen at your leisure,
I only record it once you listen to it forever,
The fish hook stuck in your jaws, the feedback was not positive,
Human Hominids fishing for compliments,
Started with a nugget, the budget snowballed into something,
Above ground running not underground covered ,
Breath easy, regulate the pace see if they love it,
The Poet Laureate puppet with a message from "The Others",
The aura describes the forces, I'm too involved to divorce it,
My internal compass points me northward, 10
My skull is a submarine hull,
Calling whales with whale song, creating basketball size hailstorms,
Water World under water war protected by the Jericho wall,
With surface permutation of the permafrost,
My war birds are grounded, their wings have been burned off,
I'm not concerned though, it's only the first lost,
Poetry Poetry Poetry Poetry Poetry,
Poet Laureate infinity now you know it's me,
Yeti riding a Triceratops with Elephant netting,
Attending Black Widow weddings dressing in gossamer webbing, 20
Pretending, experimenting, they call me a heretic,
A derelict cherubim seraphim protecting America,
Height, weight, eye colour, skeletal structure was designed,
I circle my flight instructors in the skies as they fly,
22 times, to show them I have plenty new rhymes,
Poet Laureate will prove it to you all in due time,
Don't be upset with Canibus yet, the kid just want respect,
You been a success but what do he get?
Politics and Perjury bring out the worst in me,
But I don't take it personally, even though it's hurting me, 30
