

# Rip The Jacker, Bis Gently Weeps (Prolix)

Rip the Jacker was born, the bow was drawn,  
Spit a 100 bars before you could run a 100 yards,  
I seen a mushroom to the north, from my porch,  
It was odd, every dog in the neighbourhood barked, 60  
You wanna stand there and talk?  
A blast wave gonna tear more than your roof off, nigga c'mon!  
It is my understanding, when I'm high I'm channelling,  
But when I'm out with the family I am animal handling,  
Observe the man with the Microsoft strand,  
Or a 5th or a 6th, cause way more advanced,  
I remove the veil from in front of me, suddenly  
The roots of my discovery uncovered skulduggery,  
I am not innocent, but you cannot punish me,  
Cause I know what the world wants to see, tragedy, 70  
What is Germaine determined to ascertain for his self?  
Few of the same elk have known what I felt,  
There's a Proverb that goes "One should know thyself  
Before one can know the world", so I showed myself,  
The unidentified submersible, looked like a giant turtle half circle,  
Yo, I need to stop smoking purple,  
Requested, selected, elected, but that's only impressive to the expert,  
Who know how to manipulate my message,  
You lazy and you wanna be the best? I repeat,  
Don't talk about consciousness being conscious-less and weak, 80  
If I die and you happen to wake up, I'm still alive  
Please explain my complete life story to my children,  
Photo stills of the cryospill,  
Solarized film revealed that there was a biofield,  
Fuck a record deal, my training is real,  
Look at the sword I wield, you will taste my steel,  
Phase I, sign the MOU, pursue more voters  
There's three more phases that I think you should know,  
The Phase II, build the force, Phase III, sustain Ops,  
Phase IV, transition of all Border Cops, 90  
Do, Re, Mi, Fa, Sol, La, Si-Do  
These are the tones that will activate the ohm,  
No telling if it will bring out the best or the worst in you,  
It would be a miracle if I was merciful,  
Are you food for the moon? Or are you in the mood for doom?  
Furniture moves when I walk in a room,  
Stryker Brigade Driver, sometimes I was Gunner,  
Checkpoints required all the concentration I could muster,  
Special Weapons and Tactics, Professional Assassin,  
I don't know what he does for a living ask him, 100  
I kneeled before Congress and begged for money,  
Submitting specifics about the operation I'm running,  
You gotta love it, what was it called? The G8 Summit,  
"Never heard of it", no details are public,  
The relative radiance of the rhyme makes it shine,  
Increasing the star wattage with longer cycle time,  
Yeah, I bust the rhymes but I customize the lines,  
And by the looks of things I did it just in time,  
I marched from the Halls of Montezuma to Tripoli,  
Physically this mission objective is killing me, 110  
I submit to the will of the creator willingly,  
The possibilities present a probable infinity,
