

Rip The Jacker, Chime (Shan51)

Buried in a mass grave covered in bones,
My cell phone number's placed on their tombstones,
Your girl Gertrude promised me her servitude,
She better do it I don't wanna have to hurt you dude,
I'll eat from the same portion as you,
Just in case you try to poison my food but I want you to,
A Deer Hunter all year if I could spare summers,
Fucking your whore of a mother in front of her queer husband,
Wide lens wide mattress she's an actress this is Monster Ball practice,
I'm Big Billy Bob Black Angus, 100
You and I can sit and look at each other,
Tossing Knowledge back and forth like we was throwing books at each other,
I don't care if we're not the same colour nigga I'm your brother,
I don't care what you say nigga you're a nigga lover,
All cultures come from One Mind,
The Universe is not far behind, Waves, Bars and Rhymes,
Motivated by the Stars that shine,
Only lower density life forms get lost in time,
I don't care if I make history, I wanna be a part of INFINITY,
Look at what your SUN GOD did to me, 110
I am energy, I am He spiritually and mentally,
The fools who threw away my jewels offended me,
As we walk through the archived files of all styles,
The East Wing Isle goes on for 5 miles,
More rappers than fans, more vans wrapped than vans,
Hip Hop will continue to expand,
Poets should be rappers, rappers should be lyricists,
The current industry model collapse imminent,
This is Hollywood Hip Hop,
Celebrities adopt little snot nosed bugaboos from off the block, 120
