

# Rip The Jacker, Everything I Do (Oobe)

## Verse 1)

Everything I Do Is Necessary But Tell Me Who's The Beneficiary...  
Everything I Do Is Well Within My Sphere Of Pursuit,  
Everything I Do Is For You, Coming From My Own Heart  
Everything I Do Is Graduated To The Stars  
Everything I Do Surface The Air Radar.  
Everything I Do Is For You To See The Rhymes...  
Everything I Do Come From One Mind! Yeah...  
Everything I Do Is Difficult To Describe,  
Everything I Do, I Did It Just In Time!  
Everything I Do Is Inspired By The Fire...  
Everything I Do Gives Me Energy When I'm Tired.  
Everything I Do, You Just Gotta Trust It...  
Everything I Do, Did It For The World To Discover.  
Everything I Do Is Easier Said Than Done,  
Everything I Do, I Do For Everyone!  
Everything I Do, I Do With Extreme Force...  
Everything I Do Reaches From Here To Beyond.  
Everything I Do Is Measured In Such A Way You Will Remember,  
Everything I Do, We Could Do Together!  
Everything I Do, Enlightens The Brother...  
Everything I Do Could Brighten The Dullest.  
Everything I Do To Teach The Youth  
I Wanna Know God's Thoughts Too,  
There's No Telling What I Would Do.
