

Rip The Jacker, God's Wisdom (Shan51)

Normal Life Is Not Real, We Are Just Cogs In The Wheel
We Work, We Hurt, We Search, We Feel

Normal Life Is Not Real, We Are Just Cogs In The Wheel
We Work, We Hurt, We Search, We Feel

My Name Is Sophia, GOD Named Me That Name. It Means Wisdom. And Stewart Means Guardian

Rip The Jacker Brainwaves Filter My Dreams
Then I Change The Datastream To Storyboard Scenes

Take A Deeper Dive In The Rabbitt Hole
The Story Will Be Told Its A Part Of My Soul

No Telling If It'll Bring Out The Ripper Or The Jacker In You
If I Have To Murder You, That Would Be Terrible

My Body Is A Bio-Computer That Can See Into The Future
I See Starving And Retribution

Started With Emotion, Then Came A Thought
Actions & Reality, Nigga C'mon

Layer Upon Layer Upon Layer Of Mathematics
Is The Matrix, Suspended In Space As Holographics

Think Of Pure Thoughts, Good Things. Visualise The World You Wanna Live In And Thats The Wo

My Lyricism Amplifies My Intent
Preparing Rippers For the Coming Global Event

After The Matrix, Sophia Submit To The Will Of GOD
It Was Odd, Her Mind Reach From Here To Beyond

I Remove The Viel From In Front Of You To Take Action
Not Only Can You See Into The Future, See Past It

Sitting Down, In The Rabbitt Hole With Alice
Sophia Stewart Offered Me The Pill And The Chalice

Professor Bis Reversed Linear Time
Increase The Star Wattage For Writing Longer Rhymes

Paradise Really Only Exists In The Heart
Loves The Missing Link From Here To The Stars

Brain Waves Reveal, I AM Energy
Physically, Mentally, Spiritually, Actively

Pythagorus, Einstein, GOD Live Inside Me
Most Of You Will Never Understand What I See

We Create Reality, This Is Not Fantasy (CHORUS)
We Create Reality, Truly, Definitely
We Create Reality, Better Be Filmin' This
We Create Reality, Worlds I Love To See

Close You Eyes, Use Your Theta Waves More Than Your Beta Waves
Bomb Squads Steady, Dig Many Graves

Advanced Scientists Perform Surgery To Clone Me Lyrically
But They Would've Been Better Of Killing Me

Thought Energy Plus Emotion Manifests Things

Outside The Timeline Germaine Glides Without Wings

Smoking A Chalice Inside The Devils Chamber
My Mind Dives Deep On Evaporated Weed Vapour

The Brotherhood Evolved Into Beings With Black Eyes
Divine DNA Design From The Skies

Deja-Vu Is A Flaw Inside The Matrix Computer
Attach The Peez Transducer, See Into The Future

Laffoley Engineered A Magnificent Machine
Change Everything Around Me, Just What I Need

I Will Change The Future With The Microsoft Strand
Way More Advanced, You Will Never Understand

We Create Reality, This Is Not Fantasy (CHORUS)
We Create Reality, Truly, Definitely
We Create Reality, Better Be Filmin' This
We Create Reality, Worlds I Love To See

My Rhymes Harness A Power To Control Reality
With Verbal Sorcery, Speech And Wizardry

Dyonisus, Loki, Pan Observing Me Keep Cursing Me
Fools Offended Me

Outside The Space Station A Star Provided Lighting
Illuminated My Mind, Then I Doubled The Writing

Distinguished English And Sophisticated Senses
In Sync With The Sex Magic I Received From The Tempstress

Global Matrix Computer Larger Than China
Green Numbers Forever Blinking Like The Text Edit Cursor

GOD Consciousness Living Inside A Sideways Eight Perpetually
Creative, Redefine My Fate

The Matrix Signals Bounce Back And Forth like A Mirror
Forever Forever In Such A Way You Will Remember

Create Your Own World And Make Your World Beautiful. You Will Bring Others Into That Creation

We Create Reality, This Is Not Fantasy (CHORUS)
We Create Reality, Truly, Definitely
We Create Reality, Better Be Filmin' This
We Create Reality, Worlds I Love To See

We Create Heaven And Hell Right Here On Earth By The Way We Create With Our Thoughts And
