Can-I-Bus  
Can-I-Bus

Poet Laureate Exclusive New Shit...

You can mix this song a thousand ways I don't doubt it

Okay, I'm a pervert, Its time to fess up  
I might be looking for a leg up, but I won't touch  
Closet sadomasochist, sexual pacifist  
I like to role play but I only play masculine  
It drives me insane when a woman wears lace  
Current gene structure is 46 pear based  
Her heart rumbling and thundering like Captain Nicole Mckowski  
Every clergy member from Mecca who heard of me worship me  
Ms. Guitoff my band teacher always tried to flirt with me  
I got away nervously, you better be filming this  
Polyester pants, big fat ass  
I loved that woman so much, I paid attention in class  
My spanish teacher Ms. Booker, had an ass too  
Why am I talking about this to you?  
One day it will be known, for now it must wait  
I still love 'em both, and I never forget a face  
LOVER LOVER, quoting my favorite inventor I see excitement coming  
I raised my DICK, lightning bolts stream from it  
I see the excitement coming, I see the excitement coming  
That's right, You can take this DICK and shove it!  
Nobody can hold me back, I am not innocent  
But you cannot punish me, I'm a killer PIMP!  
Target appears in brackets, I attack it  
When a woman has a period, I smell it on the mattress  
It gotta be difficult for a woman to SLEEP with me  
I know my history, but what could that mean specifically?  
There's a proverb that goes "One should know thyself,  
Before one could know the world" so I FELT myself  
Mix the blood, so it don't coagulate  
The sex magic won't work if the bitch masturbates  
The story of Bruce Lee, I died in my sleep  
I was weak, it happens with every girl that I meet  
Oh lord, tell me what to do, tell me oh lord  
I've mastered the art of FUCKING, now I am so bored  
Your girl Gertrude promised me her servitude  
She better do it, I don't want to have to FUCK YOU dude!  
A deer hunter, aw yeah if I can spare summers  
Fucking your whore mother in front of her queer husband  
Wide lens, wide mattress, she's an actress  
This is Monster Ball practice I'm big Billy Bob black angus

This never been done before in history...

My dream was identical seven nights in a row  
I saw a sideways...Suzanne Malvouex  
Swimming naked in the open, the world came to know me  
as Sir William The Man of Steel with a Smallville build  
The ILLEST! I am still the master, as handsome as my unborn grandson... But fuck it  
I need to be alone you can't comfort me like my HOES,  
I hope I am not alone, That's how it has to be  
In front of me on both sides and in back of me, straight out the freak show  
Beautiful longitudinal BITCHES with acrylic  
Fragments of Olympian gossip, that is my vision  
Physically this mission objective is killing me  
I submit to any and all entry points... YEAH  
I don't think you know what you about to get involved in  
First I put you in a sideways eight, then a pretzel

I bear clutch my DICK, my girlfriends jealous again  
So intimate when I MASTURBATE it's a sin  
The grown up who showed up drunk, with his own cup stoned as fuck  
I could barely take my eyes off her big ol' knockers  
They feared I would spit they don't like when I BUST  
Dried up to appear like crust  
There's only one way for me to prove that I love it, that's why I'm BUSTING  
I need a volunteer, do I have any?  
You think that's fast? Naw, it's faster than you think  
Verbal X-Rays they say I don't burn I blaze!  
Require all concentration I can muster  
Tell everybody SHUT THE FUCK UP when I'm FUCKING  
The sheer size of ... will continue to expand  
I can't rest until I accomplish what I was sent to do  
Walk in with a scarecrow grin, looking crazy  
Cause that's what you made me  
I need a first aid kit for the ... I spit  
Pirate Cydonnias gives me energy when I'm tired  
But it won't last, Style is like trying to ride a bull  
I'm glad I'm the last to go  
They left me dehydrated by the Nile River naked  
But I made it, that's what Germaine is about!  
I might get drunk and boast, spend the whole night  
Trying to get close to your mama  
And I still made time for the ladies!

I will forever be the illest!
