

# Rise Against, For What It's Worth

[Originally by Buffalo Springfield]

There's something happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware

I think it's time we stop, listen, what's that sound  
Everybody look what's going down

There's battle lines being drawn  
Nobody's right if everybody's wrong  
Young people speaking their minds  
Getting so much resistance from behind

I think it's time we stop, listen, what's that sound  
Everybody look what's going down

What a field-day for the heat  
A thousand people in the street  
Singing songs and carrying signs  
Mostly say, hooray for our side

Now you better stop, listen, what's that sound  
Everybody look what's going down

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
You step out of line, the man come and take you away

Now you better stop, listen, what's that sound  
Everybody look what's going down  
Now stop, children, what's that sound  
Everybody look what's going...  
You better stop, now, what's that sound  
Everybody look what's going down
