

# Rising Girl, Rising Girl

I'm coming to study  
Study all the nice fine girls  
I'm coming to study  
Study best place in world

I want to have a nice trip  
Walking with the sun all day  
I'm sitting with a rasta man  
On a green brown coco palm's tray

Hey up! Hey up!  
I'm talking 'bout a rising girl  
Hey up! Hey up!  
I'm talking 'bout a rising girl

All night we have no troubles  
Speaking with a bush man free  
He is a Manibush doctor  
Without any misery

He says: "Hey man, take a smokey.  
It's good for your apathy."  
I'm feeling like a white dove in the sky  
Far away from family  
Sing about...

Hey up! Hey up!  
I'm talking 'bout a rising girl  
Hey up! Hey up!  
I'm talking 'bout a rising girl

And I talk about thing(s)

Hey up! Hey up!  
I'm talking 'bout a rising girl  
Hey up! Hey up!  
I'm talking 'bout a rising girl

I just(a) - I just make you so good, yeahmmm  
I just(a) - I just when the reggae is crying  
I just(a) - I just(a) call you on the phone

Talk about hey-hey-aaahh  
Talk about the rising sun...

I come home this morning  
For why you're calling my name?  
I come home this morning  
For why there you are playing a game?

I wanna be your man  
The man from Kingston Town  
I wanna be your only love  
The one who never gets you down

Hey up! Hey up!  
I'm talking 'bout a rising girl  
Hey up! Hey up!  
I'm talking 'bout a rising girl

One more time

Hey up! Hey up!  
I'm talking 'bout a rising girl

A rising girl
