

Rita Coolidge, We're All Alone

Outside the rain begins and it may never end
So cry no more on the shore
A dream will take us out to sea
Forever more forever more
Close your eyes and dream
And and you can be with me
'Neath the waves through the caves of hours
Long forgotten now
We're all alone
We're all alone

Close the window
Calm the light
And it will be alright
No need to bother now
Let it out
Let it all begin
Learn how to pretend

Once a story's told
It can't help but grow old
Roses do
Lovers too
So cast your seasons to the wind
And hold me dear
Oh, hold me dear

Close the window
Calm the light
And it will be alright
No need to bother now
Let it out
Let it all begin
All's forgotten now
We're all alone
oh-oh, we're all alone

Close the window
Calm the light
And it will be alright
No need to bother now
Let it out
Let it all begin
Owe it to the wind, my love
