

# Rita Marley, One Draw

I wanna get high, so high  
I wanna get high, so high  
One draw, one draw  
One draw, one draw

Hey rastaman, hey what you say  
Give mi some of yu sense  
Hey iyah man, hey whatta say  
Give mi some of yu sense

So long I have been  
Searching for a taste  
Looking all over the place  
Not a thing could I find  
To satisfy my mind  
So I came to search for the I  
To see what the I could do  
And just like I said  
You send it straight to my head

I&#039;m feeling high, so high  
Yes I&#039;m high, so high  
One draw, one draw  
One draw, one draw  
Hey rastaman, hey what you say  
Give yu sister some sense

Give mi some riddim mek mi dance  
A long long time mi no feel so nice  
Now I&#039;m really feeling good  
And I am in a dancing mood  
Won&#039;t you come and rock with me  
A feeling so irie  
And just like you said  
it&#039;s gone straight to my head

And now I&#039;m high  
Yes I&#039;m high, high, high, so high  
One draw, one draw  
One draw, one draw.
