

Rita Ora, Solid Ground

Airport terminal security and duty free
This is my regular course this is my routine
Seat back, up right, buckle up have a safe flight
These are my conversations this is how I've been living
And the heat of California don't compare
To the feeling that comes over me with the scent of your hair
And the history in NYC don't have history like us
And the distance makes my heart grow fond
I can't wait to feel your touch

Every time I go I count the days till I can hold your hand
Cause I can't wait another minute I can't wait another minute
And every time I fly I count the seconds down till I land
Cause I can't wait another minute I can't wait until I'm back on solid ground
I can't wait, I can't wait (no)
I can't wait, I can't wait (no)
I can't wait, I can't wait till I'm back on solid ground

Clouds and mountains forest and oceans
These are the sights I see yeah this is our routine
Single serving salt and pepper sugar cream oh no (no)
I'm ready for my dinner and a movie
And the novelty of Paris does get old (does get old)
And definitely don't compare to the way that you hold (way that you hold)
And The beauty of a foreign land just reminds me of you
And a phone call won't do, baby if only you knew

Every time I go I count the days till I can hold your hand (I can hold hand)
Cause I can't wait another minute no I can't wait another minute
And every time I fly I count the seconds down until I land
Cause I can't wait another minute I can't wait till I'm back on solid ground

And the sky is so familiar to my eyes
And I've seen it all from sunset to sunrise yeah
And the moment that I land I cannot wait to get outside
To call you up and let you know that I have arrived

Every time I go I count the days till I can hold your hand (till I can hold you hand)
Cause I can't wait another minute (I can't wait)
No I can't wait another minute(I can't wait no no)
And every time I fly I count the seconds down until I land (until I land)
Cause I can't wait another minute(I can't wait)
I can't wait till I'm back on solid ground (I can't wait another minute)
I can't wait, I can't wait (I can't wait baby)
