

Rita Ora, The one (ft. Imanbek)

right from the start
i can't love somebody
without broken heart
you kiss away
all of my scars
i watch you fall
when i should been cut it off!

i wish, i could go back
tell you to run
i wish, i could go back
telling you to move on
i walway knew
i want someone
i hate that you had to be
the one

the one
the one
the one
i hate that you had to be
the one

the one
the one
the one
i hate that you had to be
the one
