

# Rita Redshoes, Once I Found You

Once I found the man who told me not to run  
You can't hurry what is meant to come  
Days passed and I stay looking for what I've done  
Yeah, baby, it's time to run  
Yeah, baby, it's time

Don't leave my side  
Don't even try  
'Cause, baby, I  
Can take it  
Don't chose to hide  
Or show your pride  
'Cause, baby, I  
Can break it  
If you lost your heart  
There's a missing part  
To love and care  
So don't, don't, don't  
Don't say that I'm yours

Once I found a boy and he wanted to be free  
He doesn't know, but he's stuffed on near  
Days passed and he's stayed lookin' for what he has done  
Yeah, baby, it's time to

Don't leave my side  
Don't even try  
'Cause, baby, I  
Can take it  
Don't choose to hide  
Or show your pride  
'Cause, baby, I  
Can break it  
If you lost your heart  
There's a missing part  
To love and care  
So don't, don't, don't,  
Don't say that I'm yours

I'm your ghost  
Wherever you go,  
I'm with you  
You're the most,  
You can't give up  
I'm with you  
So calm, so prude  
You'll fight my due

Don't leave my side  
Don't even try  
'Cause, baby, I  
Can take it  
Don't choose to hide  
Or show your pride  
'Cause, baby, I  
Can break it  
Don't say you're strong  
Or get me wrong  
'Cause, baby, I  
Can make it  
Don't change your mind  
You're gonna find your way back home
