

# Rita Wilson and Sebastián Yatra, Til You're Home

Sun through the shadows  
Light through the door  
Voice like an echo  
I can't hear anymore  
So I follow your steps  
While the love that you left  
Is burned in my heart  
With dreams in my mind  
Of the next time that I  
Have you in my arms  
Cuz I will tell you the whole truth  
That there's no color in the world without you  
And i finally see how your love is the best of me  
Yeah there's so much i want you to know  
Guess I'll wait til you're home  
The way that you smile when you think you're alone  
The best gift of this life  
Is to see you up close  
Now and again  
In the palm of my hand  
I feel your touch  
So I write it all down  
All these moments I've found  
Till I see you my love  
And i will tell you the whole truth  
That there's no color in the world without you  
And i finally see how your love is the best of me  
Yeah there's so much i want you to know  
Yeah there's so much I want you to know  
Guess I'll wait til you're home
