

Rites Ancient, Act Of Supremacy

Watch the knife penetrate your body,
My urge to kill rises'
My bloodlust desecrates your cadaver,
Feed my hunger'
Cranial tissue exposed to the bone,
Adrenaline pumping'
'Bloodshed'

Erotic-Masturbating as I dissect vital organs
Necroerotic- My endless bloodfetishism

Misanthropic I chew on your womb,
Sucking your pit'
Excrements are gushing like puss,
Boiled with nipples'
Impotence disrupting co'tal flow,
Failiour imminent'
'Bloodshed'

My golden shower flushing your insides,
53 raped & molested, I'll continue my spree
