

# Ritual, Nation Of Flies

Nation of sheep. Nation of swine.  
Nation of wolves. All dressed in white.  
A nation to cherish golden sky  
playing the good old game of live-and-die.

Nation of sin. Nation of bad signs.  
A nation of saints claims to be the crucified.  
A nation blessed with blinded eyes.  
Welcome to the nation of flies.

Deny.  
Were waiting for your faith to die.  
Deny.  
Let it die.
