

RITUALZ, ALIEN

[Hook]

Spin back, relax hoe
Something underwater
Now I'm alone, better
It's nothing like you even said

[Chorus]

Goth feels in the air
I be all lone, that's how I live
You fuck up my head
Thinking you coming after me
Goth feels in the air
I be all lone, that's how I live
You fuck up my head
Thinking you coming after me

[Hook]

Spin back, relax hoe
Something underwater
Now I'm alone, better
It's nothing like you even said

[Chorus]

Goth feels in the air
I be all lone, that's how I live
You fuck up my head
Thinking you coming after me
Goth feels in the air
I be all lone, that's how I live
You fuck up my head
Thinking you coming after me
