

River City High, Left Behind

It all what we make of it
Cause no one telling us what to do
It hard to go this road and not play by their rules
Cause most them aren't alive
They're just getting by
Acting out a part
With nothing inside

If we succeed
That getting up
More times than we fell
If the deck was stacked
Then everyone
Everyone would have everything
No one knows
How it'll go
So we'll do it our way
We'll never look back

(chorus)
So do it now
Don't put it off
Cause you don't want to be left behind
So take it now
Cause we want it all
And you don't want to be left behind

And if we think we missed our window
For whatever comes our way
We'll think about it like it was yesterday
Cause there's no such thing as time
It's all a one-sided lie
To second-guess the things you do all your life

So do it now
Don't put it off
Cause you don't want to be left behind

(chorus)
