

River City Rebels, Aborted

Lawyers produce lawyers, so what's that make me?
I shoulda been.... mommy said I shoulda been dead!

[Chorus:]
I shoulda been aborted,
I should have been aborted,
I shoulda I shoulda been,
I should've been aborted!

I've seen it all, domestic abuse to dealing,
Daddy skipped town when I was only seven,
Fucked up smarted up before I went down [x2]
Fucked up smarted up...

[Chorus]

I'm a day glow bastard fetus, a rotten fucking mistake

[Chorus]

Number one at nothing! [repeated a bunch times]
