

River City Rebels, Devil In Skin

come down from bliss
i feel your kiss
you walk
i wait
i got a feeling my apology was much too late
i hear your voice
this ain't my choice
my love has gone away
i gotta write another letter to communicate

[Chorus]
i became a victim of my trust
now i'm a lonely bitter man
my broken heart was burnt to dust
now i've got devil under skin

i'm here
you're there
your dark black hair
no way i'm going to extinguish this deep feeling that goes on and on
your lips
your touch
i don't mean much
my girl
my kid
i guess i don't know as much about you as i thought i did

[Repeat chorus]

ad now you're gone
and life goes on
i wish
and i wait
the lonely lovers are getting tired of living day to day
my quiet telephone
your picture's gone
my love's gone away
it's time i send another letter to communicate
