

River City Rebels, Here Or To Go

Working 40 hours for a corporate fuck
a pinhead with power, make your life suck
No Chance for a raise, and no more dough
Say you're a punk, and go too slow

[Chorus]
No I don't wanna work [x3]
Cause work is fucked!

working that job that don't mean shit
A wage in the end, that just don't pay
Wasting your time on a mindless job
Quit, tell your boss he's a fucking slob

[Chorus]
