

River City Rebels, Make A Stand

make a stand for what we believe in
Never let the people get us down [2x]
fuck all your drugs
fuck all your violence

we ain't no thugs
we're the youth of today
for a better tomorrow
no asshole's gonna stand in our way

Punks we need and punk we got
make your head turn and never forget
we're the youth of today
for a better tomorrow
no assholes gonna stand in our way
