

# River City Rebels, Rotten Brain

live the way most want to live  
careless free harsh abrasively  
do your own dance and march to your own beat

[Chorus] rotten brain lame frame piss stains no shame [x4]

yelling shit to cars that drive by  
you don't care it's all fun till you die  
sure yours is a drunk but you're still on your feet  
do you're own dance and march to your own beat

[Chorus]

forty years old you still live at home [x2]

[Chorus]
