## Rivermaya, The Princess Of Disguise

And she'll say she'll Make you feel allright And she'll say she'll love you More than life Like a living fairy tale You've got to believe her So behold The greatest show on earth Ladies and gentlemen The Princess of disguise And she don't love you for Just your money (Money don't turn her on at all) Funny, when i lie i feel so funny (Funny, i feel that today) Like a modern heart attack is How much you need her So put your hands together The princess has arrived...
