

# Riverside, The Same River

[ Part I - instrumental ]

[ Part II - instrumental ]

[ Part III - Again ]

"/she/"

I stay... I swear... I am... I can...

Please take a walk with me  
Let me know - Am I to blame?

As you know  
I've always loved you and I know I will always love...

[ Part IV - I am ]

I am your fear, hope  
I am your grief, joy  
I am your deed, word  
I am your hate, love

I know... I can... Wanna stay...
