

# Rizzle Kicks, Tell Her

Do you remember back in school,  
When the boys and girls that could not make their moves,  
So they get their friends to do the do?  
Well that's how I feel for you.  
Cause I can't approach you,  
No not today,  
So I sit back in the corner,  
Get my friends to say.  
Tell her I love her cause I'm feeling shy.  
Tell her I love her cause I'm not that guy.  
You've taken my fancy, you're catching my eye,  
You've taken my fancy tonight.

To build my courage, baby ask you if you're cool.  
I've sink into to the wall,  
And I'm waiting for a chance, baby us to cross our paths.  
Cause I can't approach you,  
No not today,  
So I sit back in the corner,  
Get my friends to say.  
Tell her I love her cause I'm feeling shy.  
Tell her I love her cause I'm not that guy.
