

RL (Of Next), Miss Me When I'm Gone

You're gonna miss me, you're gonna miss me)

(You're gonna miss me when I'm gone)

Today I wrote a letter, jot it down how I feel.

And I regret to inform you I no longer can conceal the fact that my soul hungers for something much

I gave you all of me, and you have that still.

But I -

You're gonna regret the way that you treated me.

Realize I'm what you needed to be.

Wish that you could take it all away but it's too late.

You're gonna miss me, you're gonna miss me.

You're gonna miss me when I'm gone.

It hurts like hell for me to walk away.

But I can't stand when you treat me the way that you do.

And I keep loving you, no matter what I do.

I stay far enough that you're gonna miss my love.

You're gonna regret the way that you treated me.

Realize I'm what you needed to be.

Wish that you could take it all away but it's too late.

You're gonna miss me (you're gonna miss me), you're gonna miss me (you're gonna miss me)

You're gonna miss me (Oh yes you will) when I'm gone.

One day you'll wake up and see.

That everything you ever needed is in me.

When you reminisce of all those good times.

When you finally realize that I should be in your life.

(x2)

You're gonna regret the way that you treated me.

Realize I'm what you needed to be.

Wish that you could take it all away but it's too late.

You're gonna miss me, you're gonna miss me.

You're gonna miss me when I'm gone.

(Oh baby, you'll..)

(Yeah)
