

RMXCRW, Turn Me On

[Verse 1]

For the longest while we jamming in the Party
And you're wining on me
Pushing everything
Right back on top of me yeah
But if you think you're gonna get away from me
You better change your mind
You're going home with me tonight

[Chorus]

Let me hold you
Girl caress my body
You got me going crazy
You turn me on
Turn me on
Let me jam you
Girl, go wine all around me
You got me going crazy
You turn me on
Turn me on

[Verse 2]

One hand on the ground and
Bumper cock sky high
Wining hard on me
Got the Python
Hollering for mercy - yeah hey
Then I whisper in her ear
So wine harder
And then she said to me
Boy just push that thing
Push it harder back on me

[Chorus]

Let me hold you
Girl caress my body
You got me going crazy
You turn me on
Turn me on
Let me jam you
Girl, go wine all around me
You got me going crazy
You turn me on
Turn me on

[Verse 3: Rap]

What's up girl, what's going on
I'll check you out
Type to death, fly as hell
Stop this convo and get back to the hotel
You might as well; I'm just trying to get behind ya
Toxicate your waste with some bumping and grinding
You know you fining, yeah I be lying
If I say you was a diamond inside of a diamond
Bless in that dress like everything's real
When I get into your mind you're out of them high heels
Them tight pants be busting, rebelling your belly button
Crazy nigga names to cutie pie to pumpkin
I'm just trying to hang around
Like your favourite necklace
Question, can I get your number after breakfast

[Bridge]

Hug me,
Kiss me and squeeze me,

Hug me,
Hug m
