

RNG, Heartbeat Radio

If you make me believe
that you love so
show it on heartbeat radio
No more lonely nights
'cause you're the one
Attention all the ladies,
R'n'G is in the town
Heartbeat radio is in your city
you've got to tune in now!
Come on
Do you really wanna spend a night with me?
(you wanna spend a night with me?)
I'll be ready of all in my dreams
(all in my dreams)
I'll be watchin' you

I can't hide, (come on)
