

# Roachford, Time

So you want to call it a day  
I think you're crazy  
What else would i say  
That's just the way that i feel  
Just the way that i feel  
And you say the well has run dry  
They're just bitter words to me  
No reason no rhyme  
That's just the way that i feel  
It's just the way that i feel  
It's just the way that i feel  
I can't help the way that i feel  
See i don't wanna lose you  
I just want you in my life  
I don't wanna argue  
Over who is wrong and who is right  
I don't wanna lose you  
I still want you in my life  
That's why i'm trying to let you know  
The way that i feel  
Now you want  
Just to throw it all away  
See i never understand you  
What else can i say  
It's just the way that i feel  
This is the way that i feel  
Can't help the way that i feel baby  
This is the way that i feel  
I don't want to lose you  
I just want you in my life  
I don't want to argue  
Over who is wrong and who is right  
I don't want to lose you  
I just want you in my life  
That's why i am tryin' to let you know  
The way that i feel  
The way that i feel  
Talkin' about the way that i feel  
Can't help the way that i feel  
The way that i feel  
Baby baby the way that i feel  
(repeat till end)
