

# Rob Halford, Prisoner Of Your Eyes

(Halford/Downing/Tipton/Lachman)

When I saw your face  
I Became a prisoner of your eyes  
And I would do most anything  
To stay and be with you.

How did we go wrong?  
I can't believe it's over  
Tell me why it's happening?  
Who threw it all away?

Don't you hear me crying?  
Take me in your arms again

Don't you hear me crying?  
Take me in your arms again

Bring back what I'm living for  
You're all I'm thinking of  
Take me home to paradise  
Give me back your love

No one takes the blame  
You and I have wondered  
We gave all we could to this  
It's time to face the truth

Now we realize  
All we had is over  
Comes an end to everything  
There's nothing left to give

Don't you hear me crying?  
Take me in your arms again

Don't you hear me crying?  
Take me in your arms again

Bring back what I'm living for  
You're all I'm thinking of  
Take me home to paradise  
Give me back your love

Bring back what I'm living for  
You're all I'm thinking of  
Take me home to paradise  
Give me back your love

Stop the heartache  
We can try and start again  
End the heart break  
A little time - will help to ease the pain

I still see your face  
When I close my eyes  
If I opened up again  
Would you still be here?

Don't you hear me crying?  
Take me in your arms again

Don't you hear me crying?  
Take me in your arms again

Bring back what I'm living for  
You're all I'm thinking of  
Take me home to paradise  
Give me back your love

Bring back what I'm living for  
You're all I'm thinking of  
Take me home to paradise  
Give me back your love
