Rob Mills, Overrated

I've been thinkin' about you
And i don't like it
I've been walking around 'ere
Far too long

I don't wanna be wrong
But i don't know
I don't wanna go on, and on, and on

CHORUS
Get out of my way
Get out of my head
And into my room
Though i know this wrong
I don't wanna be strong
I think it's overrated

It's overrated

There's something about you
Thats draws me under
I only see the dark clouds
I don't see the light

If the weather is fine
LIke you say
Then tell me why does it feel like rain today

Repeat CHORUS

Get out of my sight
Get out of my heart
And into my arms
And though i knew all along
Why do i have to be strong
I think it's overrated

It's overrated

I'm wanna look
And i don't wanna see
I wanna touch
But i don't wanna feel
(i don't wanna feel)

Repeat CHORUS

Get out of my sight
Get out of my heart
And into my arms
And though i knew all along
Why do i have to be strong
I think it's overrated

It's overrated
