Rob Mills, Rise Up

Australian Idol:

We've got to rise up and fly like eagles Rise up through the sky We've got to rise up over higher mountains Rise up, rise up Rise up, come on and come on and rise up!

Everybody's come a long long way such a long way, to be here today we're going hard, giving it all we've been knocking on wood with our backs to the walls we've been working every day and night waiting for the chance for the day to arrive and now we've all got something to prove win or lose, there's only one thing to do

We've got to rise up and fly like eagles rise up through the sky we've got to rise up over higher mountains rise up, rise up (repeat)

Inside the sweat, inside the heat in each and every heart there's a pounding beat to do it wrong, to do it right each of us has put up, one hell of a fight and as we face the final test all that we can do is to do our best and as we're making time stand still to get to the top you've got to give all you've got

We've got to rise up and fly like eagles rise up through the sky We've got to rise up over higher mountains rise up, rise up

Shine a light and let them see everything you want to be Shine a light and let them know you are never letting go

We've been working every day and night Waiting for the chance for the day to arrive And now we've all got something to prove Win or lose there's only one thing to do

Rise up and fly like eagles rise up through the sky we've got to rise up over higher mountains rise up, rise up, RISE!

Rise, and fly like eagles rise up through the sky you've got to rise up over higher mountains rise up, rise up, rise up, over higher mountains, Rise up, RISE UP!
