## Rob Rock, Eye Of The Hurricane

It goes on and on all through the day On and on, my love will remain Don't you know it's never too late To turn the hand of fate

There you were, burned by love Left a bitter taste, a heart of stone Now you're strong and you start walking Leaving me all alone I don't care what the neighbor's thinking I don't care, what do they know All I need is to feel your lovin' A memory that's never been sold

When are you coming back for me I know it's soon I know the sun will shine again I'll wait for you

It goes on and on into the day
On and on, my love will remain
Don't you know it's never too late
To turn the hand of fate
On and on into the night
Can't you see, our love is so right
Holding on, I'll never let go
My love will never fade

Here I stand, my heart's wide open Take my hand, we'll start again Trust in me, tomorrow is coming I don't need to understand

When are you coming back for me I know it's soon I know the sun will shine again I'll wait for you

It goes on and on into the day
On and on, my love will remain
Don't you know it's never too late
To turn the hand of fate
On and on into the night
Can't you see, our love is so right
Holding on, I'll never let go
My love will never fade

On and on into the day
On and on, my love will remain
Don't you know it's never too late
To turn the hand of fate
On and on into the night
Can't you see, our love is so right
Holding on, I'll never let go
My love will never fade

On and on all through the day On and on, my love will remain On and on, it's never too late On and on, to change your fate On and on...
