

Rob Rock, Kingdom Of Light

No more tears, no more pain, no more crying in the rain
No more sorrow, no more blame, in the kingdom of light
No more fear, no more lies, no temptation, open eyes
Finally found my piece of mind on the road to paradise

The revelation of the word is rocking the ages
Bringing salvation to the world, the fire is raging on

Another time, another place, and we'll be standing face to face
Life will be an open page, in the kingdom of the light
No more night, no more day, everything has passed away
Got to find the narrow way that leads to paradise

The revelation of the word is rocking the ages
Bringing salvation to the world, the fire is raging

Woe to the nations and kings of the earth
When heaven comes down for the final re-birth
Taking our place with the Ancient of Days
Ruling the kingdom of light

The kingdom of light!

Woe to the nations and kings of the earth
When heaven comes down for the final re-birth
Taking our place with the Ancient of Days
Ruling the kingdom of light

Woe to the nations and kings of the earth
When heaven comes down for the final re-birth
Taking our place with the Ancient of Days
Ruling the kingdom of light

The kingdom of light!
